Dear **NICKNAME**,

***In 1967, Herr Karl Hausch from Hessen, Germany, penned the shortest validated will: "All to wife."***

While we should all have a valid will, and likely one more than three words in length, surveys show that only about half of Canadians actually do.

In celebration of **Leave a Legacy Month**, we are inviting UVic faculty and staff to [complete a short survey](#) about estate planning, for **your chance to win a \$500 Visa** gift card (so you can finally create or update that will...!).

**TAKE THE SURVEY**

Warm wishes,

Kristy Colpron
