OUR STUDENTS ARE THE FUTURE

Every Donation Matters

Our **EMORY UNIVERSITY STUDENT HARDSHIP FUND** provides life-changing financial assistance to undergraduate and graduate students in need due to a crisis or catastrophic event.

School-specific **SCHOLARSHIPS** replace student loans in Emory financial aid packages, ensuring talented students with financial need can graduate debt-free.

THE STUDENT EXPERIENCE FUND strengthens community-building and class-year traditions that deepen student and alumni engagement with our university.

"Scholarships have given me a better college experience, with opportunities like volunteering as an EMT and becoming certified as a medical Spanish interpreter."

Jose Castillo 22C

"I love mentoring first-generation college students and women in science. My scholarship donors give me the time and freedom to follow my dreams."

Logan Kavanaugh 25G

When students flourish, everyone thrives.

Emory Day of Giving 2022 raised more than \$94,000 online for scholarships and fellowships in just 36 hours.

OUR GOAL: For 2036 Giving Week, let's raise more than \$200,000 for direct student financial support in 100 hours of online giving.
We can do it!
