Thank you from the University of British Columbia
You are receiving this email because you attended the Lunar New Year celebration.

Thank you for joining the 2023 UBC Lunar New Year Celebration. It was a wonderful opportunity to celebrate this special day in person with so many of UBC's alumni, donors, volunteers and friends.

As we shared at the dinner, this past fall we were excited to publicly launch FORWARD, the campaign for UBC.

There are so many opportunities to be part of this campaign—from watching webinars that feature UBC researchers like Dr. Mary Jung, who is empowering diabetes prevention, to engaging in and sharing information from the newly launched UBC Magazine, which presents a unique UBC lens on key social issues.

We were also delighted to share the **FORWARD for Students Affordability Initiative** which, with your help, will provide students with immediate support when and where they need it most.

Thank you for your support of UBC. May this Year of the Rabbit bring you happiness, prosperity and good health.

Warm wishes,

UBC Development and Alumni Engagement
