A man with grey hair, wearing a dark blue suit, a light blue shirt, and a red patterned tie, stands in front of a large, two-story yellow house with a grey roof and white trim. The house has multiple windows and a prominent chimney. The man is looking directly at the camera with a slight smile. The background shows a well-maintained lawn and some trees.

A MESSAGE FROM THE HEAD OF SCHOOL

As we move into the public phase of *Williston Builds: The Campaign for Our Community*, we have achieved remarkable success. Hundreds of alumni, parents, and supporters have already participated, fueling momentum that faculty and students can feel here on campus. The goal for the most significant fundraising effort in Williston's 181-year history is ambitious—\$70 million—and so are our objectives: to transform student life, strengthen academic excellence and faculty development, build financial flexibility through a strong annual fund, and invest in the many types of diversity that add depth and vitality to our community. These priorities come at a pivotal point in Williston's history. Not only do they strengthen our position in the boarding school world, but they also make sure that Williston students will head out into the world ready to lead lives of purpose, passion, and integrity. Please join us in building Williston's future. —Robert W. Hill III

Banners for 'PURPOSE', 'PASSION', and 'INTEGRITY' hang from the portico. The building is surrounded by green lawns, trees with vibrant orange and yellow autumn foliage, and other campus buildings in the background.
