

# *Frequently Asked Questions:* **1842 Day Student Carnival & Giving Power Hour**

## **1 When and Where is this event?**

1842 Day is Tuesday, September 20, 2022. The Carnival will take place between 7-9pm at the Riley Ellipse. The Giving Power Hour will be from 7:30-8:30pm.

## **2 What should I bring to my organization's assigned table?**

A table and chairs will be provided for each group, but your organization can bring tablecloths, signs, decorations, giveaways, snacks, etc. Additionally, we encourage groups to have small games or activities to add to the festive carnival atmosphere!

## **3 How does the Giving Power Hour work?**

During the Giving Power Hour, student organizations will compete to get the most gifts for their group. You can ask your friends, family, grandparents, siblings--anyone!--to give to your organization in that hour. The competition is based on number of donors, not total raised.

## **4 How do people make a gift to my organization?**

Each organization will receive a special link and QR code that will direct donors to the giving site to make their gift. All gifts must be made through this specific link in order to count towards the giving power hour totals.

## **5 What if I'm part of a small organization?**

To keep things fair, we will divide the participating student organizations into tiers based on size (small, medium and large). Your group will only compete against groups in your tier. The top organizations in each tier will receive additional sponsorship money!

## **6 What do we "win" from the Giving Power Hour?**

Additional sponsorship money for your organization, donated by a generous Villanova alum.
