FEATURED GIFT OPPORTUNITY

SUPPORT RESEARCH FOR A BRIGHTER ENERGY FUTURE

Teams of scholars across schools, disciplines, and generations will conduct innovative research to create a more sustainable energy future with support from the Arthur L. Irving Institute for Energy and Society. You can make Dartmouth the home of energy solutions by helping create an endowment of \$250,000 for the first research team.

DARTMOUTH AT 250 THE GLOBAL SUMMIT

TORONTO | 3-5 APRIL 2020
LIMA | 16-18 AUGUST 2020

[LEARN MORE AND REGISTER](#)

Join this historic gathering of Dartmouth's Canadian community.

Over three days, 30 faculty and distinguished alumni will lead presentations and discussions into some of the world's most pressing issues, from emerging energy technologies and U.S.-Canadian relations to the rapidly changing Arctic.

Explore Toronto like never before! Members of the Dartmouth community will lead eye-opening behind-the-scenes tours of multiple city landmarks and collections, including the Art Gallery of Ontario's J.S. McLean Centre for Indigenous and Canadian Art.

Check out the program online and register today.

Reduced-fee early bird registration for Toronto ends February 28!
