

Dear Stags,

The Student Alumni Association and the Office of Parent Engagement & Philanthropy reached out to your families to give them the opportunity to send you some words of encouragement as you enter the final stretch of your first semester here at Fairfield! We hope you enjoy this note from home! Good luck with finals! Go Stags!

---

Dear Katelyn,

You have almost made it through your first semester. Dad and I are so proud of you. We knew that you could do it. Keep up the great work. We know it hasn't been easy to get adjusted to college life. We miss you at home but know that you are going to be a fantastic nurse someday.

We know this might not be the surprise you were hoping for. But we hope it puts a smile on your face to know that we are thinking of you all the time. Love you so much!! xoxo

Mom and Dad
